

Integra Group Purchasing Organization

Integra Partners' Group Purchasing Organization (GPO) offers exclusive savings on products and services for DMEPOS suppliers in our network.

Our program combines your purchasing power with the rest of our network, allowing us to negotiate savings for your business on medical and office supplies and other services that enhance your productivity and the experience of your customers.

We're excited to partner with **O&P Solutions**, a family owned and operated central fab provider with over 25 years of industry experience, to deliver custom fabricated orthotics and prosthetics.

Resources

For more information on **O&P Solutions'** participation in Integra GPO, please review the following resources:

- [O&P Solutions – Integra GPO Vendor FAQ](#)
- [O&P Solutions – Integra Partners – Price List](#)
- [O&P Solutions – Terms of Sale](#)

Sign Up

Step 1: Please complete the [Integra GPO Form](#) to participate in the program. You only need to complete this form once; if you have already completed this form, please proceed to step 2.

Step 2: After completed step 1, you will be eligible to submit orders for prefabricated products using your access code which you can access on the Que 'Resources' page. For more information, please review the [O&P Solutions FAQ](#).
